I enclose herewith a copy of letter No.FOP/GFL/ED/1466-12 dated 29-2-64 from the Conservator of Forests, Belgaum Circle, Belgaum along with its accompaniments on the above subject for perusal.

The area proposed for grant is an organised forest and contains valuable species. But it is reported to be adjacent to the cultivated land and suitable for opening of Seed Farm. Since the area is required by another Department of Government, there is no objection to grant the same. As per Article 142 of the BFM Vol II, the forest area need not be disforested if it is to remain incharge of Government purpose. Hence there is no need to disforest the area, but the same may be ordered to be transferred to the Agriculture Department for starting the Seed Farm.

The Minutes of the Minister for Co-operation and Development received with your memo dated 18-3-64 under reference are returned herewith.

Sir,

Subject: Opening of seed farm in Mundgod Taluk - Request for release of forest lands in Malgankop F.S.No.7.

Reference: Your No.B3-GFL/749 of 17-1-1964.

2. I submit herewith letter No.FOP/GFL/LND/128 of 6-2-1964 of the Divisional Forest Officer, Kanara E.D., Dharwar along with the accompaniments for favour of perusal. The Agricultural Department has proposals to start a double unit Block of Seed paddy Farm for which 100 acres of forest land from F.S.No.7 of Malgankop is required by that department. The area required is adjoining cultivation though it falls in M.T.P. coupes of Bl. VI.

3. As the area is required by a department, there is no objection to release the area. The area is not required to be disforested but it will be transferred to Agricultural Department as per A. 141 of B.F.M. Vol.III.

P.T.O.

Subject: Opening of seed farm in Mundgod taluka
Request for release of forest lands in
Malgankop F.S.No.7.

References: Your No. KOP/GEL/LND/1466 dated 23-1-1964.

From the minutes of the Minister for Co-operation Government of Mysore Bangalore, it is seen that there is a proposal for starting a double unit Block of Seed farm in Mundgod taluka. The above proposal is made by the Agriculture Department and this Scheme will be taken up by the Agriculture Department under III Five Year Plan. For the establishmnt of seed farm, the Agriculture Department wants an area of 100 acres near Mundgod. This Department is therfore asked to release an area of 100 acres suitable for this purpose in F.S.No.7 of Malgankop village in Mundgod taluka.

2. It is seen from a copy of the D.O.No.T.6-475/1476 dated 16-1-1964 (copy enclosed) of the Dy.Director of Agriculture submitted to the Joint Director of Agriculture Bangalore, that he had visited the above area with the District Agricultural Officer N.Kanara, Block Development Officer, Mundgod, Range Forest Officer, Mundgod and the President Taluka Development Board Mundgod. He says that the the site selected by them suitable for setting up of seed farm.

3. On enquiry with the Range Forest Officer it is revealed that the area in question covers M.T.P. coupes Nos. 20,5 and part 3 of Block VI. It contains tree-growth of valueable species like teak, Matti and Nandi etc. both young and old to the extent of more than 40 trees per acre. The area is flat having loamy soil. It is also reported that there is a forest Tank in the area and if the tank is got repaired, water provision can be obtained easily for seed farm.

4. In view of the above, the area in question may be recommended for release for seed farm, if you deem fit.

D.O.No.T.6-4/75-1476 3-64.

Dear Sri.Subbanna,

Please refer to your D.O.letter No.SF.L.359/62-63 dated 27th December, 1963 regarding opening of Seed Farm in Mundgod Taluka under III Five Year Plan programme.

Accordingly, I visited the area with the District Agricultural Officer, North-Kanara, Block Development Officer, Mundgod Range Forest Officer and the President, Taluka Development Board, Mundgod. The site is about half a mile just behind the Taluka Office at Mundgod and approachable from Mundgod-Bankapur Road. The Survey No.7 in which it is proposed to set up a Seed Farm comprises of 4000 acres of Forest area. However, it is proposed to take over about 100 acres from the existing tank in the area as shown in the sketch enclosed herewith. The area and soil are suitable for setting up of Seed Farm. Similar area about 500 acres in Indoor Colony about 6 miles for Mundgod has been cleared off of Forests and the area is brought under cultivation effectively. In view of the need of supply of foundation seed to Up-ghat area and as the Government lands are readily available, the proposal deserves due attention and formal approval by overcoming all the routing methods of correspondences and presumed calculations.

I have discussed the matter with the Divisional Forest Officer, Eastern Division, Kanara, Dharwar during the meeting at Malagi on 7-1-1964 and it is presumed that the Forest Department releases the lands for setting up of Seed Farm. The tentative area for establishment of Seed Farm has been selected in Survey No.7 as shown in the sketch and the adjoining Sy.No.41 has been selected for construction of buildings and quarters for the members of the staff.

I am enclosing herewith sketch map of this ~~tank~~ site for reference.

Please move Chief Conservator of Forests, Bangalore to release the lands early so as to enable its clearing of Forest growth and converting the same into suitalbe terraces by adopting contour irrigation methods or contour bunding.

Yours Sincerely,
